ADDITIVE AREA

The **ADDITIVE AREA** as part of Rapid.Tech 3D 2022 is the **ALL INCLUSIVE** solution for everyone who wants to make a big impact on a small booth.

From stand construction to furniture, electricity and parking permits to a small storage area, everything has been thought of - this is how you minimize your effort in preparing your trade fair presence.

Forego the costly construction of your own stand and other organizational stress and present yourself with your company in the **ADDITIVE AREA** in a central location* unmistakable for all visitors!

Become part of the successful story and save your booth now.

* The **ADDITIVE AREA** is an exhibition area specified by Messe Erfurt in exhibition hall 2. Users of the **ADDITIVE AREA** special offer are not entitled to a free choice of stand.
